## **Objectives of the Institute:**

1. To create a research base for the academic development of the staff as well as concomitant growth of the students.
2. To provide better coordination and delivery of academic services to students through transparent system at all levels.
3. To improve the link between the academia, industry and business.
4. To constantly review and update the subject wise curriculum to ensure high quality deliverables.
5. To go beyond the curriculum in developing aptitude for employability & life-long learning, skills & attributes.
6. To constantly review the full range of teaching & non-teaching activities so as to ensure that learning takes place within a portfolio of value centered & socially relevant research-led programme.
7. To emerge as effective Research Centre already recognized & accredited by Savitribai Phule Pune University for Doctoral, Post-Doctoral & Commercial Research.

## **Long Term Goals:**

1. Emerge and be accepted as the preferred place for management education and training initially in this part of India and then move into wider global horizon.
2. To seek Permanent affiliation from University of Pune.
3. To acquire Autonomous status to provide need based responsive and value based management education.
4. Undertake conceptual and empirical research and leverage the same into management consulting and training to become a major knowledge resource center.
5. Groom value based performance oriented change leaders for society in general and the corporate sector in particular.
6. Transforming human beings into human becoming, helping people to unleash human potential in the process.
7. Enter into collaborative partnership with globally leading professional and academic institutions.
